

Work in electronic format in the ProQuest Dissertations & Theses database, where it may be made available for free download. A subset of the ProQuest Dissertations & Theses database may be accessed by the academic community as well as through major search engines and open access harvesters. ProQuest may also provide an electronic copy of the Work to Author's degree-granting institution where it may also be posted for free open access. Learn more:

- **Copy Sales.** ProQuest and its agents and distributors may offer copies of the Work for sale in tangible media, including but not limited to microform, print and CD-ROM, as well as electronic

format individually or as part of its electronic database and reference products and services. No royalties shall be due to Author.

- **Publishing Fees.** Author's payment of the additional Open Access fee is a one-time, up-front fee in addition to the ProQuest dissertation or thesis publishing fee. Author's institution may assess additional fees to be collected along with the Open Access and publishing fees.

Section III. Publishing Options & Signature

Select the publishing options below that best fit your interests and scholarly publishing obligations.

Traditional Publishing

- ☒ I want to make my work widely available and I want to be eligible to receive royalties on the sale of my work.
- I understand that I must maintain a current mailing address with ProQuest in order to be eligible to receive royalties.
 - I understand that the ProQuest fee for Traditional Publishing is \$25 for Master's thesis and \$25 for Doctoral dissertations, and that my graduate institution may pay all or a portion of the total fee as well as may require additional fees in association with my submission to ProQuest.

Open Access Publishing Plus

- ☐ I want the broadest possible dissemination of my work, and I want to provide free global access to the electronic copy of my work via the internet.
- I understand that I will not be eligible to receive royalties.
 - I understand that the ProQuest fee for Open Access Publishing Plus of Master's thesis is \$120 and for Dissertations is \$120, and that my graduate institution may pay all or a portion of the total fee as well as may require additional fees in association with my submission to ProQuest.

Select Publishing Options

I want my work to be available as soon as it is published.

- ☒ Yes
- ☐ No – I would like access to the full text of my Work to be delayed for the following period of time:
- ☐ 6 month embargo
 - ☐ 1 year embargo
 - ☐ 2 year embargo

Note: Most institutions have *delayed release (embargo) policies*; please consult with your Graduate School/Program if you need to delay the release of your Work. Access to the full-text of your work will be delayed for the time period specified above, beginning from the date that we receive your manuscript at ProQuest. During this time, only your citation and abstract will appear in the ProQuest Dissertations & Theses database (PQDT).

I want major search engines (e.g. Google, Yahoo) to discover my work.

- ☒ Yes
- ☐ No
